

**Energy Savings and IAQ**  
*Have Your Cake, and Eat it Too!*

# Merlin Magic 2025

brought to you by Merlin Instrumentation

Join factory experts and industry leaders in **measurement** and **control** for a half-day of learning and hands-on product demos.

**Energy efficiency. Operational accuracy. Occupant health.**  
**The technology is here. The choice is yours.**

With special guest speakers:

- Seth Letourneau - **EBTRON** - Airflow Measurement for High Performance Buildings
- Ryan Nice - **Badger Meter** - Water and Energy Measurement Innovations
- Scott Field - **Air Sniper** - UV Disinfection for ASHRAE Requirements and IAQ
- Dana Heller - **Merlin Instrumentation** - **Sage** Thermal Mass Gas Flow Metering
